- Coordinate and schedule guests, interviews, and live performances.
- Edit and assemble audio content using digital editing software.
- Monitor and control live broadcasts, ensuring technical quality.
- Develop and implement creative strategies to increase listener engagement.
- Stay up-to-date with industry trends and audience preferences.
- Manage budgets and resources for production projects.
- Oversee the production team and provide guidance and mentorship.

Qualifications

- Bachelor's degree in Broadcasting, Journalism, or a related field (preferred).
- Proven experience in radio production or a similar role.
- Strong understanding of radio equipment and software.
- Excellent communication and organizational skills.
- Ability to work under pressure and meet deadlines.
- Creative and innovative mindset.
- Strong problem-solving skills.
- Knowledge of copyright laws and licensing agreements.

Experience

Minimum of 2-3 years of experience in radio production or a related field.

Skills

- Proficiency in audio editing software (e.g., Adobe Audition, Pro Tools).
- Familiarity with radio broadcasting equipment.
- Strong scriptwriting and storytelling skills.
- Time management and project management abilities.
- Team player with leadership skills.
- Adaptability and flexibility.

Job Benefits

- Competitive salary and benefits package.
- Opportunities for career growth and advancement.
